Dear Eddie:

It gives me great pleasure to advise that you are being placed on the AIR AMERICA LOG mailing list starting with the enclosed issue.

It is impossible to put out the LOG on a regularly scheduled publishing basis; therefore, if some time lapses between your receipt of consecutive issues of the LOG, please be patient. You will be able to tell whether you are receiving each LOG by watching the volume number and issue number which appear under the AIR AMERICA LOG logo on the left side of the front page of each issue. The last issue of a given year will always carry "MERRY CHRISTMAS and HAPPY NEW YEAR" in red under Message From Management on Page 1 Column 1.

Mr. R. A. Coleman, Chief-American Employee Administration, Far East suggested to me that you receive the LOG and it was he who supplied me with your home address.

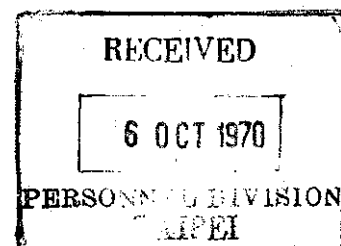

Sincerely,
